

Setting up Application Environment

Create IBM Cloud Account

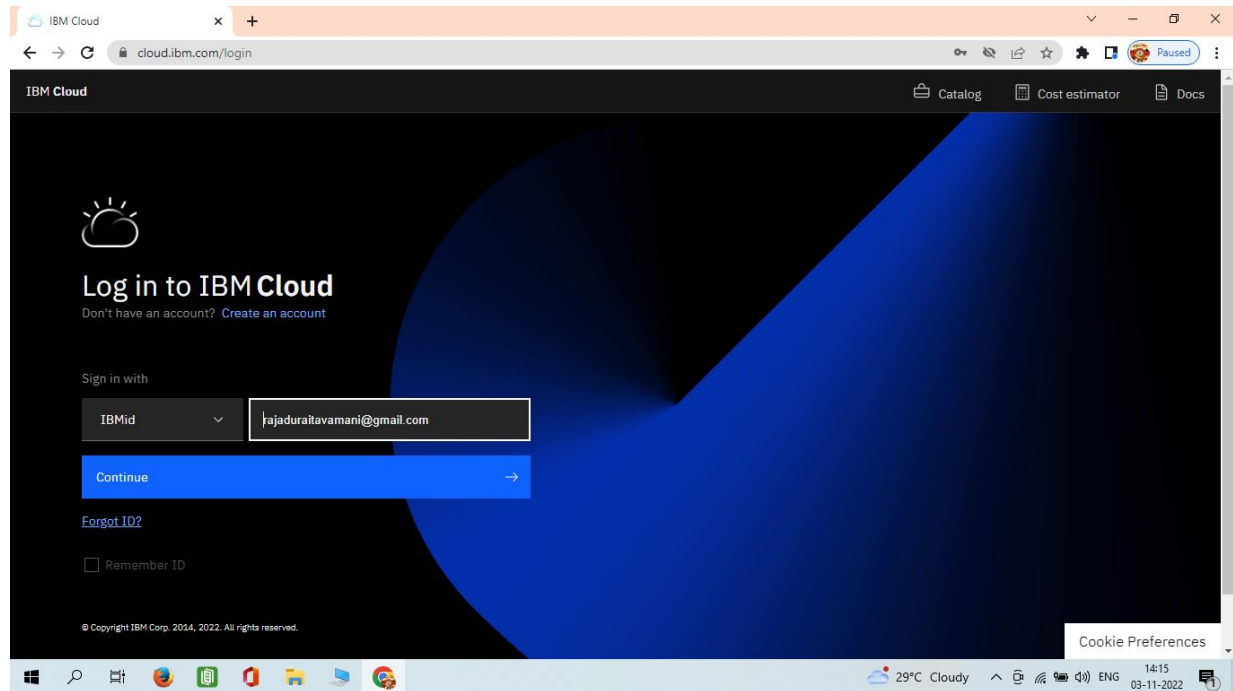

Date	19 October 2022
Team ID	PNT2022TMID22972
Project Name	Skill/Job Recommender Application

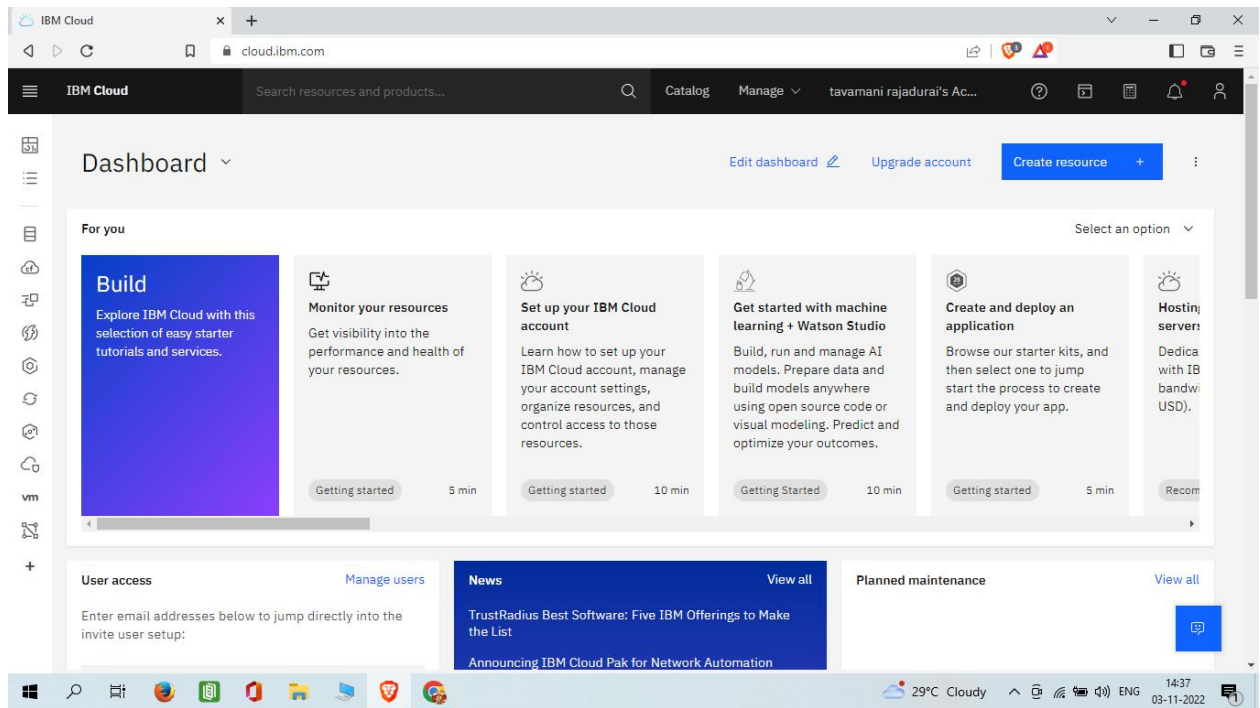

Step 1. Navigate to ibm.com/academic and register with your smartinternz mail

The image shows a two-part screenshot of a web browser. The top part displays the 'IBM SkillsBuild Software Downloads' page. It features the IBM logo, navigation links (SkillsBuild, Topics, Usage terms, Additional Resources, FAQ), and a large hero image of students in a classroom. The text on the page encourages users to harness the power of IBM tools for free. There are buttons for 'Already registered? Log in' and 'Register now'.

The bottom part of the screenshot shows the registration form on the 'academic.ibm.com/a2mt/email-auth' page. It asks the user to 'Enter your academic institution issued email to begin'. A text box contains the email 'rajaduraitavamani@gmail.com'. Below the text box is a 'Submit' button. The page also includes a 'frequently asked questions' link and a 'Cookie Preferences' notification in the bottom right corner.

Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

Output :

Cloud account created successfully.
